Initially, the undersigned would like to thank Examiner Detschel for telephonically discussing this matter on January 4, 2007. In that conversation, issues with three references that were originally cited in an Information Disclosure Statement on August 10, 2004 and received by the Office on August 13, 2004, were discussed.

In particular, the outstanding Notice of Allowance and Fee(s) Due mailed November 9, 2006, states on page 3 that the "information disclosure statement filed on August 13, 2004, contains a document (Cite No. X, Miles V. Klein and

Thomas E. Furtak, Second Edition, Wiley, pp. 134-135) without a subsequent date.” Also, the outstanding Notice indicates that “no copies of the McGraw Hill, Inc. reference or the Wafers and Flat Panels Display reference were included with the information disclosure statement file don the same date.”

In the telephonic discussion of the undersigned and Examiner Detschel, Examiner Detschel kindly suggested that she would review and initial a newly submitted Information Disclosure Statement that includes copies of the missing references and the publication date for the remaining reference.

To this end, submitted herewith are:

1. A copy of the Information Disclosure Statement mailed on August 10, 2004 and received by the Office on August 13, 2004, as evidenced by the stamped postcard.
2. Copies of the three aforementioned references.
3. Fee under 37 CFR 1.17(p) which is paid via EFS.
4. IS Form SB 08a.

Accordingly, Applicant respectfully requests (or petitions if one is believed to be necessary even in light of the fact that the stamped postcard evidences receipt of the aforementioned three references on August 13, 2004) that the Office review and initial the attached information disclosure form to evidence the three aforementioned references have been considered by the Office.

The undersigned hereby authorizes the Office to deduct any addition fees or refund any overpayments to PTO Deposit Account: 503133.

Respectfully Submitted,
Khazeni et al.
